*This report is dedicated to Benjamin Kezar who has decided to step down after his many years of service to the Town of Springfield. For over 30 years he has been a mainstay on the Board of Selectmen, quietly and efficiently performing the complex duties of that office. His knowledge of the Town and its affairs has been the marvel of those elected to serve with him.*

*Ben's conservative stand in fiscal matters has been reflected in the Town's favorable tax climate and general debtfree status. His expertise in Town government will be sorely missed and it is hoped that he will not be far away when questions arise for which he alone knows the answer.*

*In any event, we are grateful for his years of devotion to the welfare of the Town of Springfield and its people. We wish Ben many pleasant years in retirement from the demands made upon him as a conscientious public servant.*

## THE STATE OF NEW HAMPSHIRE

The Polls Will Be Open From 11:00 A. M. to 6:00 P. M.  
To the Inhabitants of the Town of Springfield in the County of Sullivan, in said State, Qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Springfield on Tuesday the 10th of March, next at eleven of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing by ballot, with the use of check list; and to see what action the Town shall take with respect to the following:
2. To see if the Town will vote to have the Chief of Police appointed by the Selectmen as of January 1, 1982.
3. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.
4. To see if the Town will vote to accept the budget as submitted by the Budget Committee.
5. To see if the Town will vote to authorize the Selectmen to borrow money on notes of the Town in anticipation of taxes.
6. To see if the Town will vote to allow a one and one-half percent discount on taxes paid within thirty days after the mailing date.
7. To see what the Town will vote to do about additional equipment and the continuance of a Capital Reserve Fund for the purpose of purchasing new (or used) equipment for the Highway Department, when and if necessary.
8. To see what the Town will vote to do about additional equipment and the continuance of a Capital Reserve Fund for the purpose of purchasing new (or used) equipment for the Fire Department, when and if necessary.

9. To see if the Town will vote to authorize the Selectmen to withdraw funds from the Capital Reserve for the purpose of purchasing new (or used) equipment for the Fire Department or Highway Department, or for emergency major repairs (when and if necessary).
10. To see if the Town will approve the continuance of the survey of Town Forest and the sale of timber.
11. To see if the Town wishes to allow the Conservation Commission to accumulate any unspent appropriation in the Trust Fund.
12. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Trust Fund established under the provisions of the State and Local Assistance Act of 1972, for use as set-off against budget appropriations for the following priority purposes and in amounts indicated or take any other action thereon.

Purpose Dump	\$9,000

13. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Trust Fund established under the provisions of the State and Local Assistance Act of 1972, for use as set-off against budget appropriations for the following priority purposes and in amounts indicated or take any other action thereon.

Unexpended of 1980	
Purpose Dump	\$250

14. By petition: To see if the Town will vote to petition the New Hampshire Congressional delegation to support a resolution in the United States Congress calling for a joint United States-Soviet nuclear arms freeze on all further testing, production, and deployment of nuclear weapons, and of missiles and new aircraft designed to deliver nuclear weapons.
15. To see if the Town will vote to create a regional refuse disposal planning committee to work with the New Hampshire/Vermont Solid Waste Project to find a solution for our waste disposal problem and further to appropriate the sum of \$294.40 for the expenses of the Project and to request the moderator to appoint the committee within 10 days of Town Meeting.

16. By Request: To see what the Town wishes to do about the expansion of the Highway Department building; if it would be desirable for the Town to study the possibility of trading a piece of Town owned property for one of a more suitable size and location for same.
17. To hear the reports of the Officers and Standing Committees.
18. To see what the Town will vote to do about the continuance of Standing Committees.

Given under our hands and seal the Nineteenth day of February in the year of our Lord nineteen hundred and eightly one.

BENJAMIN KEZAR, Chairman  
HARRY COLE  
DENNIS GEORGE  
Selectmen of Springfield

A True Copy of Warrant—Attest:

## SELECTMEN'S REPORT

We have continued to improve town roads wherever possible. The access road to Eastman Pond has been approved by the county engineer and the selectmen. This has released the Eastman bond.

We, the selectmen, support the article on the appointment of the police chief. State regulations are so complex that there are only about three persons in town who could qualify for the above position. Without the authority to go outside the town to find qualified applicants the town could very well be left without a police chief.

Due to illness our secretary, Mrs. Marjorie George, was forced to resign. We wish to thank her for the fine job she did in the past. We were fortunate to obtain the services of Mrs. Diane Charles who is doing a commendable job.

In 1979 the State forced us to use the large surplus that had built up over the years, for current expenses. This created a very low tax rate for 1979. However, in 1980, without this extra money and the inflation, the tax rate went "through the ceiling". We hope from now on the rate will be more stable.

We want to take this opportunity to thank Mrs. Barbara Reney and Mrs. Erma Cole for their help with the tax bills. "Thank you" Barbara for acting as deputy tax collector while Mrs. George was hospitalized.

We also wish to thank all personnel for their fine cooperation during the past year.

Selectmen,  
Benjamin Kezar  
Harry Cole  
Dennis George

## ANNUAL REPORT LIBBIE A. CASS MEMORIAL LIBRARY

The library continues to remain open eight hours a week, thanks to the efforts of our loyal volunteers, Dorothy Anderson, Sue Anderson, Susan Alexander, Dona Chiarella, Nancy Edgar-Howard, Janet Lebrecht and Barbara Reney.

The successful summer story program was well attended and the last session was devoted to an excellent exhibition of puppets and marionettes, which the children enjoyed. Priscilla Meyer and Janet Lebrecht were responsible for this delightful summer experience and we thank them for their time and effort.

The storm windows which were added to the library this year make a tremendous difference in the inside temperature and help keep fuel costs down. Thanks to the town. The sewing classes of the newly formed 4-H club have been meeting in the library this winter.

With the cooperation of the Recreation Committee the library sponsored the annual Halloween Party, which featured a new attraction this year, a spook walk to the cemetery. One hundred and twenty-five young people attended the function, making it the biggest to be held so far. Mr. and Mrs. Ben Kezer, Mr. and Mrs. Harry Cole and Mr. and Mrs. Bob Ploettner judged the costumes and the prizes awarded were hand puppets, made and donated by Jackie Lamy, to whom we extend thanks.

The Christmas Party was held in conjunction with the Royal Arch 4-H Club. Terry Davis and Elizabeth D'Amico led and accompanied Christmas songs, copies of which were made by Amy Anderson. The 4-H presented a play and refreshments and gifts were shared by all those attending.

The reading program exceeded expectations. Thirty-six children read six hundred and sixty-one books and they were awarded certificates at the Christmas celebration.

Our thanks again to Elba Jillson for his cheerful cooperation in all of our projects, and to Amy Anderson, our capable and hard working librarian. To the Country Store, our appreciation for their many contributions. We also appreciate the help of Janet and Jay Booker in

showing movies and the generosity of Arnold and Doris Sayer in lending us their projector. Thanks to those who have given us their time, and their financial contributions.

The main efforts of the librarian and trustees continue to be directed to the book collection for educational and recreational purposes. Several book buying trips were made and emphasis has been on reference works for the younger readers so that the library can be of assistance to them with their school work. Work continues on the card catalog to bring it up to date and increase its usefulness. We look forward to providing more services to the town and would welcome suggestions and criticism and most of all, more volunteers.

## REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town/city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town/city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

# SPRINGFIELD VOLUNTEER FIRE DEPARTMENT

## Annual Report for Year 1980

To report a fire in town the number to call is 1-643-2222. This is Hanover Dispatch. Give the dispatcher the town (Springfield), the type of fire, and your location along with your grid letter and number. If you don't know your grid number and letter for your location check with any Fire Department member. Your call is dispatched to 13 Fire Department members who have plectrons.

Some new equipment added this year include: two new 1½" Pyrolite turbojet nozzles, a new 1500 gallon portable fire tank, a new 1½" Wye, 300 feet of 1½" hose, a new kit for 6" dump, two new Scot Air Packs, and a new radio for tank truck. Out of Fire Department personnel account a total of \$829.17 was spent for new equipment and parts in 1980.

With so many people burning wood, a proper installed chimney and stove pipe was our biggest concern this year.

Although there has been a lot of apparatus break downs this year, all equipment should be back in service by town meeting.

In closing I would like to thank the 19 active Firemen for their hard work and unusual hours, and to the towns people who have helped me as Fire Chief.

MATTHEW WADDELL  
Fire Chief

## SPRINGFIELD FAST SQUAD

### First Aid Stabilization Team

The FAST Squad has now been in existence for five years and now consists of 7 members with one presently taking the EMT course. We have in the past year received the Pocket Pagers which enable the members to be toned out by New London Dispatch, and if necessary by Newport and Hanover. We have also received a Portable Radio which will enable us to communicate with the Ambulance and Dispatch. Also received through federal grants was a Suction Unit and an Oxygen Unit.

We have completed the Vial of Life Program but there are still some Vials left if town folks would like them.

Work continues on our vehicle which we hope to have on the road and in service this year.

## GRANTHAM—SPRINGFIELD KINDERGARTEN ANNUAL REPORT TO THE TOWN OF SPRINGFIELD

The fifth year for the Grantham Springfield Kindergarten began in September with 18 bright and eager children. This class definitely has some future engineers as we have seen the most elaborate and beautiful structures built with blocks, many much too clever to disturb at clean up time. One thing for certain, there is no energy crisis at the 5 and 6 year-old level this year!

The academic focus continues to be in the areas of math, prereading, handwriting, and listening structured in an individualized approach. We have a class full of eager beavers this year who have kept Mable and I stepping.

We were fortunate again to be able to make a field trip to the beautiful beaver dam in Grantham and we constructed an excellent model in the classroom. Patten's Dairy again warmly hosted us and had cart rides for all, even the teachers this year.

At Christmas we saw *Pinocchio* at the Hopkins Center and later were the hit of the annual Grantham Christmas Concert dressed as the "Friendly Beasts".

The Whipples generously opened their home and gave instructions in trampoline gymnastics to each child. The children found out it was a lot harder than it looks!

Mabel Patten has again been more than an assistant in the classroom three mornings a week and Linda Moore and Elaine Pillsbury have generously covered the other two days. Linda Moore is also giving phys. ed. instruction one day a week.

Elba Jillson is again faithfully keeping everything shipshape. Our sincere thanks to him and to everyone who has contributed to making the Kindergarten the happy productive place it is.

With Love,  
Janet Booker, teacher

## DUMP COMMISSION REPORT

The 1980-81 period was devoted to active participation in the New Hampshire/Vermont Solid Waste Project. Springfield was represented on the Project Planning Committee and on the Consultant Selection and the Technical Review Sub-Committees.

Phase II of the project is virtually complete and two reports have been produced for the 15 Sullivan County and 11 Vermont Participating Communities covering the following topics: Materials separation, recycling-incineration, energy recovery-land disposal-regional and sub-regional transfer, and transportation systems, etc.

Springfield has succeeded in adding consideration of *ALL* alternative waste disposal methods in an even-handed manner to insure that the final recommended solution is the most cost/effective rather than one based on biased prejudgement. It appears that Phase III will be approached on that objective basis as a result. The Town's participation in the Technical Review Sub-committee's preparation of the Phase III scope of work should prove useful.

High costs (and Taxes) dictate a search for the most cost/effective future solution and the continuing detailed review of all alternatives offers hope that Springfield can participate in a reasonable long-term solution. Bureaucratic state and federal over-regulation make "Going it alone" virtually impossible in this case.

George B. Thomson

## CIVIL DEFENSE DIRECTOR'S REPORT

The past year has been spent working with the Fast Squad on their vehicle and also with the continuation of the Radiological monitoring course. We have attended classes and meetings with the State Civil Defense Personnel. We hope to have the support and cooperation of the Town people in the year to come.

FRANK ANDERSON  
Civil Defense Director

## PLANNING BOARD REPORT

In 1980-81, the Planning Board continued its progress in providing the Town with the documents and other material necessary to guide future growth and development in accordance with the "Desired Future" clearly portrayed by residents in the 1979 questionnaire responses and with the adopted Town Plan based on those responses.

In February and December 1980, the Board adopted subdivision regulations amendments needed to implement Town Plan policies. Those amendments are designed to tie future development densities to the capacity of the natural environment, slopes, and soils to support growth, eliminating the high tax costs of expensive public sewer and water supply facilities.

The Springfield approach to future land use is being considered by other New Hampshire communities as a prudent and effective alternative to zoning controls.

During the past year, Board members also participated in various regional and sub-regional activities including: The New Hampshire/Vermont Solid Waste Project, The Sullivan County Engineering Review Council, The Upper Valley Lake Sunapee Council and The Little Sunapee Watershed Investigation. In all such activities, there has been a constant effort to support the most cost/effective solutions to problems and to insure that Springfield retains its options and right to achieve the future described in the Town Plan.
